

100 Years Celebration of The New Zealand School Dental Service

Thank you to all of you who have registered your interest in attending our 'School Dental Service 100 Years Celebration' here in Christchurch. We are very excited to welcome you here to share the camaraderie of this wonderful service that we are all very proud of! We are privileged to welcome Dame Annette King as our Guest Speaker, who along with other past Dental Professionals will provide interesting and no doubt amusing presentations.

We apologise for the delay in opening our 'Confirmation & Payment of your Registration' for this event, but this has been due to finding an alternative venue. We are thrilled to announce that 'Larcomb Vineyard', 307 Larcombs Road, Rolleston will host our celebration on **Saturday 6th March 2021**. We would like to encourage everyone to take advantage of the free buses which will take you to and from Larcomb Vineyard. For those of you who have 'Registered your Interest' you will receive an email within 3 weeks to ask you to confirm your registration and provide full payment for our celebration by the 20th January 2021. We would very much appreciate your registration & payment at your earliest convenience. Your receipt for your registration payment will be promptly emailed or posted back to you. For those of you who have not 'Registered your Interest' please do so by emailing sds100years@gmail.com. Please contact us if you have any difficulties or concerns.

Sunday 7th March 2021

We have enjoyed working with members from the 'McLeans Mansion Trust' who would like to extend a warm welcome to visit our old dental training hostel on Sunday 7th March where refreshments and some memorabilia will be available. Unfortunately, this beautiful old building suffered extensive damage during the earthquakes, but renovations are underway. The dental training school suffered extensive fire damage therefore this is not able to be visited. We also hope to have one of our Community Dental Service Clinics open for viewing on this Sunday as well.

Transport, Special Dietary Needs, Assistance on the Day & McLean's Mansion:

A form will be returned to you with your registration receipt. This will ask you which bus 'Pick Up/Drop Off' location suits you best; if you have any special dietary needs; any requests for support or assistance on the day; and whether you intend to visit McLean's Mansion and/or our Community Dental Clinic on Sunday 7th March.
